ORAPI INTERNATIONAL

APPLICATION GUIDE

- Apply by pressure washer
- Manual Sponge or wash mitt
- Manual brush
- Apply by low pressure spray
- Use with brush wash system
- Interior cleaning of cisterns, drums & mixers
- Clinging Foam when used via foam lance or arch
- Snow foam when used with nozzle attachment
- Spray on - wipe off
- Apply by aerosol
- Mop & bucket
- Apply by soft cloth
- Apply by carpet cleaner

TRANSNET

1 An Industrial Force

Orapi Applied are the manufacturer of the **Transnet** range of speciality cleaning and maintenance products to Transport markets worldwide.

Specialising in the general transport, haulage, bus & coach and rail market sectors **Transnet** are a brand of the Orapi Group and have a 25 year history in providing cleaning and maintenance solutions to the mass transport industry. **Transnet** have sales operations in the UK, Northern and Southern Europe and the Americas.

Founded in 1968, The Orapi Group has since embarked on a remarkable industrial journey. Our four research and development centres and seven production facilities around the world have enabled us to remain at the forefront of industrial advances and ensure that our customers always benefit from the latest technological breakthroughs.

2 Hi-Tech Products

Our vast industry and technical knowledge together with our range of high performance products ensure we deliver total bespoke supply solutions tailor made for your business.

Our innovative approach and extensive product range offer enhanced performance and increased efficiencies for transport markets and provide you with environmentally friendly alternatives including where possible, biodegradable options.

3 Service & Support

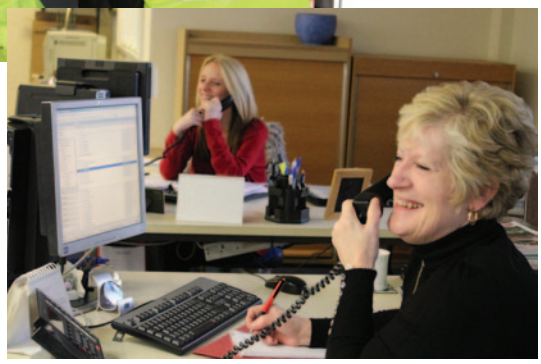

Customised support solutions
Transport operators across Europe, from haulage to operators in the PSV sector rely on the support provided by the **Transnet Technical Team**. Let us take the hard work out of controlling your chemicals within transport fleet maintenance for you, allowing you to concentrate on keeping your transport rolling.

Benefits of the Tech Team include:

- "Accublend" controlled chemical dosing solutions, supply and installation
- Certified staff training - Product applications, safe use of chemicals
- Engineer site service
- Sales administration support, stock control, logistics
- Managed cost in use - analyse wash cost per vehicle, chemical expenditure
- Water sample analysis
- Wall charts, safety data and technical sheets

EXTERIOR CLEANING

CLEANING

TRANSNET WASH 'N WAX — D1202TN

PERFORMANCE VEHICLE SHAMPOO WITH A WAX FINISH

A highly concentrated vehicle shampoo with a built-in wax finish, leaves paintwork clean and self shining. Ideal for use on cars and light commercial vehicles, Used manually it is safe to use on all types of paintwork, plastics, glass, etc

- Applies wax as you clean for a gloss finish

CONSTRUCTION VEHICLES

TRANSNET TAM — C4900TN

CITRIC ACID CLEANER AND DESCALER

A Citric Acid based formulation for the removal of light rust, metal oxides, water scale, cement and light oils from metallic and non-metallic surfaces. The product is also suitable for general cleaning and brightening of various metals and particularly stainless steel. Cleaning and conditioning in a single process, Transnet TAM is particularly suited to construction vehicles both body descaling and internal recirculation.

PRODUCT CODE	PACKAGING	PACK SIZE
C4900TN-25	Drum	25L
C4900TN-205	Barrel	205L

TRANSNET ACID — C4920TN

CONCENTRATED ACID SCALE AND RUST REMOVER

A concentrated blend of inhibited Phosphoric acid with detergents and wetting agents. It is non-fuming and less aggressive than many other mineral acids but will effectively remove stubborn scale, rust and metal tarnish. The detergents contained in the product enable simultaneous descaling and degreasing. It will brighten aluminium and chrome and is effective against many forms of hard water scale. Transnet Acid is particularly suited to construction vehicles both body descaling and internal recirculation. Also cleans heavy soiling from alloy wheels, steel and aluminium HGV wheels.

PRODUCT CODE	PACKAGING	PACK SIZE

C4940TN-25	Drum	25L
C4940TN-205	Barrel	205L
C4940TN-1000	IBC	1000L

TRANSNET DEBIO — C330

HEAVY DUTY TAR AND BITUMEN REMOVER

A heavy duty tar remover based on powerful solvents of plant origin. Designed to clean and degrease tar, bitumen and heavy oil deposits from mechanical parts, asphalt laying machinery, equipment and tools. Debio is VOC-free and water soluble.

PRODUCT CODE	PACKAGING	PACK SIZE
C330/0030	Drum	30L
C330/0210	Barrel	210L
C330/1000	IBC	1000L

TRANSNET RAPSODY — D3979TN

ANTI ADHESION FOR ASPHALT OR BITUMEN

A performance anti adhesion product for asphalt or bitumen processing machines. It is used on conveying systems, hoisting bins, silo hoppers, paving equipment and trucks. Whatever, the application, Rapsody is sprayed onto the surface in contact with the asphalt, the heat from the asphalt allows water in the Rapsody to evaporate leaving the anti-adhesion film. Selecting the correct concentration and application allows Rapsody to be used on the production plant, transport vehicles and the asphalt paving equipment.

PRODUCT CODE	PACKAGING	PACK SIZE
D3979TN-25	Drum	25L
D3979TN-205	Barrel	205L
D3979TN-1000	IBC	1000L

VEHICLE PREPARATION

WHEEL CLEANER C2120TN

ALLOY WHEEL CLEANER

A blend of phosphoric and citric acid with detergents and wetting agents. It is non fuming and less aggressive than many other mineral acids whilst effectively removing brake dust staining from alloy wheels, painted steel wheels and plastic wheel trims. This advanced foaming acidic formulation will safely remove stains which other products have failed to clean.

PRODUCT CODE	PACKAGING	PACK SIZE
C2120TN-2X5	Container	2 x 5L

ENGINE LACQUER E2133TN

HI SHEEN ENGINE LACQUER

Transnet Engine Lacquer is a clear tough lacquer that is used for the enhancement of under bonnet components. Based on a synergistic blend of solvents and resins Transnet Engine Lacquer provides a complete as new look protecting against damp and corrosion and leaving the engine gleaming

PRODUCT CODE	PACKAGING	PACK SIZE
E2133TN-2X5	Container	2 x 5L

MASTER WAX E2001TN

PREMIUM WAX POLISH

Formulated for a market where excellence is recognised, Master Wax was formulated to excel in new or nearly new car presentation. This product incorporates a synergistic blend of fast action polymers designed for a showroom shine. This performance makes Master Wax one of the easiest and quickest car polishes to be used in the market today.

PRODUCT CODE	PACKAGING	PACK SIZE
E2001TN-2X5	Container	2 x 5L

TYRE DRESSING D2131TN

GLOSS TYRE DRESSING

An appealing ready to use product which gives tyres and rubber mats the original manufacturers new finish. Transnet Tyre Dressing also restores the original black finish to window trims, pedal treads and other rubber components. Transnet Tyre Dressing is easy to use, quick to dry and leaves a residual effect even after washing.

PRODUCT CODE	PACKAGING	PACK SIZE

CARPET SHAMPOO

D7880K

PERFUMED CARPET CLEANER

Designed for use via hot water carpet extraction machines. Carpet Shampoo provides an economical and effective means for speedy cleaning of carpets and colour fast upholstery. Cleaned carpets dry quickly to a non sticky, residue free and fresh smelling finish. Carpet Shampoo is suitable for use on wool and synthetic carpets and a wide range of upholstery finishes. Care should be taken however, to always ensure colour fastness prior to use.

PRODUCT CODE	PACKAGING	PACK SIZE
D7880K-2X5	Container	2 x 5L

SAFETY FLOOR CLEANER B7822K

SPECIALIST CLEANER FOR NON SLIP FLOORING

Especially designed for cleaning and disinfection of most common safety floors. Non slip floors by their nature are difficult to clean, textured grip surfaces hold dirt and staining deep within preventing easy cleaning. Safety Floor Cleaner effectively penetrates stubborn deposits and cleans with a fresh fragrance, ideal for safety floors within bus and coaches, washrooms and building entrances.

PRODUCT CODE	PACKAGING	PACK SIZE
B7822K-2X5	Container	2 x 5L

FLOOR MAINTAINER D7860K

DAILY MAINTAINER FOR POLISHED FLOORS

A neutral blend of detergents and polymers formulated to clean, freshen and maintain a high gloss finish. It's regular use protects floors, prolonging intervals between polish application and stripping. Floor Maintainer is suitable for spray cleaning, damp or bonnet-mopping techniques. Floor Maintainer is recommended for all water washable floor surfaces including vinyl, linoleum, thermoplastic, rubber, sealed wood and cork, marble and terrazzo.

PRODUCT CODE	PACKAGING	PACK SIZE
D7860K-2X5	Container	2 x 5L

LULU TOILET CLEANER C7301

TRIPLE ACTION CONCENTRATED TOILET CLEANER

Formulated to be safe for use on stainless steel, chrome and other sanitary ware finishes. Lulu's triple action ""clean - disinfect - descale"" freshens in one application. The product is a high viscosity "thick" liquid designed to cling to vertical surfaces and prolong effective cleaning.

PRODUCT CODE	PACKAGING	PACK SIZE
C7301-6X750	Trigger	6 x 750ml

FLOOR STRIP A7800K

METALISED FLOOR POLISH REMOVER

Performance stripper for floors treated with emulsion polishes and seals. The product is a blend of non caustic alkalis, solvents detergents and an additive specially selected to penetrate metallised polish films. Floor Strip is suitable for use on most floor surfaces. Care should be taken, however, to check colour fastness of floors where this may be in doubt (e.g. vinyl asbestos)

PRODUCT CODE	PACKAGING	PACK SIZE
A7800K-2X5	Container	2 x 5L

HI SOLIDS POLISH D7840K

GLOSS METALISED FLOOR POLISH

A 25% solids metallised polymer based polish which dries to a bright hard wearing finish. Hi Solids Polish is easy to apply, has excellent levelling properties and is formulated to be safe, reliable, hardwearing, scuff and slip resistant. It is recommended for all semi-porous floors including vinyl, linoleum, thermoplastic, rubber, sealed wood and cork.

PRODUCT CODE	PACKAGING	PACK SIZE
D7840K-2X5	Container	2 x 5L

EVERYDAY TOILET CLEANER C7300K

ECONOMICAL DAILY TOILET CLEANER

Everyday Toilet Cleaner is recommended for use on plastics, ceramics and most metals. It will not affect painted, glazed or wooden surfaces.

PRODUCT CODE	PACKAGING	PACK SIZE
C7300K-6X750	Trigger	6 x 750ml

ALL PURPOSE CLEANER D6380K

BACTERICIDAL WASHROOM CLEANER

A powerful yet gentle bactericidal cleaner with an entirely fresh fragrance. It is particularly suitable for sinks, taps and tiled areas. All Purpose Cleaner will remove soiling and leave clean, sanitised bright surfaces without causing the damage associated with some more abrasive cleaners

PRODUCT CODE	PACKAGING	PACK SIZE
D6380K-6X500	Trigger	6 x 500ml

HANDCARE

HANDCARE

KLEENALL® PROTECT — D7068

MOISTURISER & BARRIER CREAM

We are proud to offer a premium quality conditioning cream that moisturises the skin to prevent against cracking. KLEENALL® Protect is also a barrier cream, applied frequently it protects against dirt and enables easier cleaning which means that less aggressive hand cleaners are needed. Then, after work, KLEENALL® Protect is perfect to make your hands feel your own again. Can be used for wet or dry work. 2 in 1 product, reduces the number of products required.

KLEENALL® LUXURY — D7011

CLEANER & CONDITIONER

A mild but powerful, synthetic based liquid hand lotion with a luxurious fragrance that cleans and conditions to leave the skin feeling soft and supple. Formulated for use in the most opulent of surroundings such as hotels and restaurants, KLEENALL® Luxury will also be the product of choice for office, factory and wash rooms.

PRODUCT CODE	PACKAGING	PACK SIZE
D7011-2X5	Tub	2 x 5L
D7011-12X800	Pot	12 x 800ml

KLEENALL® WIPES — D7036

WATERLESS SYSTEM

KLEENALL® heavy duty hand wipes are a waterless hand cleaning system. Combining a high quality hand cleaner with a non-scratch abrasive towel to create a performance wipe which removes heavy grease, lubricants, adhesives, oils, tar, inks and many other difficult to remove soiling without the need for water. Ideal for the mobile workshop or situations where washing facilities do not exist.

PRODUCT CODE	PACKAGING	PACK SIZE

S9344-1X1	Pump & Bracket	1
S9330-1X1	Modular System	1

KLEENALL® NATURALLE — D7018

SOLVENT FREE CLEANER

Designed to give high performance in demanding conditions but still be ultra kind to skin. KLEENALL® Naturalle is a totally solvent free paste, combining soaps, natural detergents and poly-beads. A pleasant citrus fragrance and a rich lather make this a powerful but luxurious product capable of removing ingrained dirt and leaving hands smooth and conditioned.

PRODUCT CODE	PACKAGING	PACK SIZE
D7018-6X3	Tub	6 x 3L

KLEENALL® ANTI-BAC — D7045

ANTI-BACTERIAL HANDSOAP

A powerful, non-perfumed, anti-bacterial hand soap that cleans and contributes to good hygiene. KLEENALL® Anti-Bac is effective against Enterobacteriaceae, Staphylococcus sp. and many other organisms. Widely used in Food Manufacturing and Catering outlets, also suitable for use in the healthcare sector.
Added emollients in KLEENALL® Anti-Bac prevent the skin from drying or cracking even with frequent use. This combined with the anti-bacterial properties, mean that a residual bactericidal action is observed.

PRODUCT CODE	PACKAGING	PACK SIZE
D7045-2X5	Tub	2 x 5L

DERMAGEL — E7047

ALCOHOL HAND SANITISER GEL

Dermagel is an alcoholic gel for disinfection of the hands following washing with a hand soap. Used where high standards of hand hygiene are required.

PRODUCT CODE	PACKAGING	PACK SIZE
E7047-2X5	Container	2 x 5L
